

## Medical Education Angels

11308 Andretti Ave  
Bakersfield, CA  
93312

### Corporate / Large Group Rates as of 2016

Because we send more instructors for larger classes, discounts are based on the number of participants who attend the course, not the number scheduled. We are pleased to offer our bigger clients a price break, as noted below.

10 participants or more = 10% off our regular rates

20 participants or more = 20% off

30 participants or more = 25% off

- We are happy to price match when possible; please simply show the invoice from your last class so we can verify your previous pricing.
- Evening, short notice, out of Bakersfield area, and holiday classes do not qualify for discounts unless specifically discussed while scheduling.

Thank you for considering us for your courses. We love what we do and it's our goal to teach the highest quality classes in a relaxed atmosphere that will empower you and your staff in an emergency.

Sincerely-

Kristen Cimental RN, BSN and Vilate Bolanos RN, CCRN
